Chairman Muehlberg called the Recreation Committee meeting to order at 5:00p.m. The Pledge of Allegiance was recited.

Discussion/Action: 2022 Community Center rental agreement with Grantsburg School District for gymnastics and storage of equipment. Kathy thanked the committee for use of the Community Center and presented some concerns regarding tear downs. Kathy explained that full tear downs are very difficult as she has a small team and relies on only her team and parents to help, and it is also very physically demanding making it more difficult to do a tear down during the week of a meet along with missing practices prior to a meet. Kathy requested that the Village ask the gun show that is scheduled in February be moved into March after the gymnastics season. Chairman Muehlberg commented we could not ask the gun show to reschedule as it is already reserved. Kathy also requested that there be no tear downs during summer and super summer school. The committee discussed a divider so that partial tear downs were an option. Kathy will send the Village Office a website that sells dividers.

Kathy requested the bar plates in the floor be replaced as they are wearing out and will become a safety concern. The committee toured the community center to better understand what Kathy was requesting. The committee discussed use of storage rooms, the school rents one and Kathy said she uses the other unit when they do tear downs. **Motion by Chairman Muehlberg, second by Trustee Woody to present to the full board to allow Kathy to hire a professional to replace plates and repair holes at the gymnastics' program expense. Motion carried.**

Discussion continued regarding tear downs. Chairman Muehlberg said we couldn't say 'no' tear downs as that would limit income for the community center. There was also discussion to post-pone this meeting so that a school district representative could attend that can make financial decisions. **Motion by Trustee Woody, second by Trustee Barton to post-pone meeting and extend current contract for one month and invite Superintendent Watt to next meeting to discuss contract. Motion carried.**

Adjourned the meeting at 5:46 p.m.
