Chairman/Trustee Peer called the Public Property Committee Meeting to order at 7:07p.m. The Pledge of Allegiance was recited.

Cemetery 1) watering request. Clerk/Treasurer Meyer presented a request to plant trees at Riverside Cemetery at the burial sites of Tuynmans along with a request that the Village water the trees twice per week. The committee discussed a variety of options they thought the family could take to accomplish this task, first starting with the nursey for any suggestions. Chairman/Trustee Peer commented that he didn't want to set a precedence for similar requests in the future. DPW Erickson voiced concern of having the manpower to fulfill this request. The committee discussed making additions to the cemetery rules for type of plants allowed. Clerk/Treasurer Meyer presented an example of additions to the cemetery rules.

Motion by Trustee Barton, second by Trustee Henderson to allow the planting of the trees but disallow the Village watering and make additions to the cemetery rules as presented. Motion carried.

Chairman/Trustee Peer adjourned the meeting at 7:16 p.m.
